School Vision Screening
Event report**

Date: 29-03-2021

Date: 26-03-2021

Venue: Pediatric Nursery School, Shakthi Nagar

No. of participants: 32

On 26 March 2021, a school health program was conducted by the Department of Optometry, Mangala College of Paramedical Sciences in association with Pediatric Nursery school and NSS unit at Shakthi Nagar. The program aimed to provide vision assessments to school children in the area.

The assessments were conducted by Optometry students who checked for visual acuity, refractive errors, binocular vision disorders, and color vision deficiencies. The Optometrists also provided guidance to students on maintaining good eye health. 14 students enrolled to II and III-year B.Sc. Optometry program and 18 students enrolled to diploma course actively participated in the program.

The program was a great success and received positive feedback from the participants and their parents. The Department of Optometry and NSS unit together plans to organize more such programs in the future to promote good eye health and general health among school children.

NATIONAL SERVICE SCHEME EYE CHECKUP CAMP AND EYE DONATION AWARENESS DRIVE EVENT REPORT

Date: 08.11.2021

Date: 07.11.2021

Venue: Home guards office Maryhill, Mangalore

Organizer: NSS Unit

No. of Participants: 20

Report:

The NSS unit and department of Optometry of Mangala College of Allied Health Sciences, in collaboration with the Civil Defense Force, Lion Club, and Home Guard, organized an Eye Check-Up and Eye Donation Awareness Drive on November 7th, 2021, at the Home Guard Office in Maryhill. The program was inaugurated by Mr. Vasanth Kumar Shetty, Governor of the Lions Club, Dr. Sripathi Kamath, and Prof. Prathijna Suhasini, Dean of Mangala College of Allied Health Sciences, and Sonu AS, HOD of the Department of Optometry.

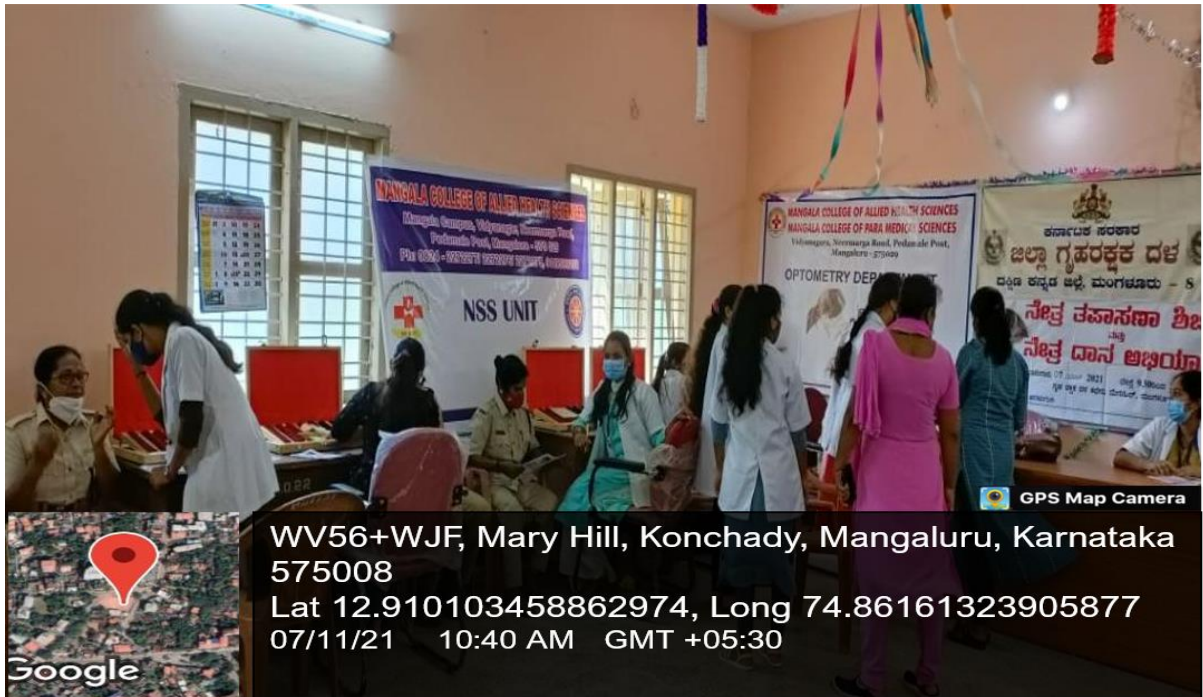

The event aimed to promote eye health and encourage people to donate their eyes for a noble cause. The Eye Check-Up included various activities such as visual acuity tests, refraction tests, and screening for common eye diseases. The attendees were provided with free spectacles and medications, as required.

The Eye Donation Awareness Drive focused on educating people about the importance of eye donation and how it can help to restore vision in those who are visually impaired. The keynote speaker for the event was Mr. Murali Mohan Achyuthar, who provided valuable insights into the various aspects of eye donation.

The event was a great success and helped to raise awareness about eye health and eye donation among the community. The NSS unit in association with the department of Optometry aims to continue organizing such drives in the future and work towards promoting better eye health and eye care.

NATIONAL SERVICE SCHEME SCHOOL EYE SCREENING CAMP EVENT REPORT

Date: 08-06-2022

Date: 06.06.2022

Venue: SDM Mangala Jyothi Integrated School, Vamanjoor

Organizer: NSS Unit in association with Department of Optometry
No. of Participants: 13

Report:

The NSS Unit in association with Department of Optometry, Mangala college of Allied Health Sciences conducted a School Vision Screening at SDM Mangala Jyothi Integrated School in Vamanjoor, Mangalore on 6th June 2022. The camp was conducted by IInd and IIIrd year B.Sc. Optometry students. As part of the event, Vision screening was done for school children up to 10th standard.

The aim of the screening was to identify any visual problems among children and provide appropriate interventions. The screening included visual acuity tests, refraction, and screening for common eye diseases. 14 B.Sc. Optometry students participated in the program.

The B.Sc. students who conducted the screening were trained in various aspects of vision screening and were supervised by qualified Optometrists. They were able to identify several cases of refractive errors, and the children were provided with free spectacles and medications, as required.

The School Vision Screening was a great success and helped to promote better eye health and eye care among school children. The NSS Unit in association with the Department of Optometry at Mangala college of Allied health sciences aims to continue organizing such camps in the future and work towards improving the eye health of the community.

Department of Optometry Session on Ophthalmic Dispensing and Clinical Procedures Event report

Date:07-07-2022

Date: 04-07-2022

Venue: Optometry lab

No. Of Participants: 38

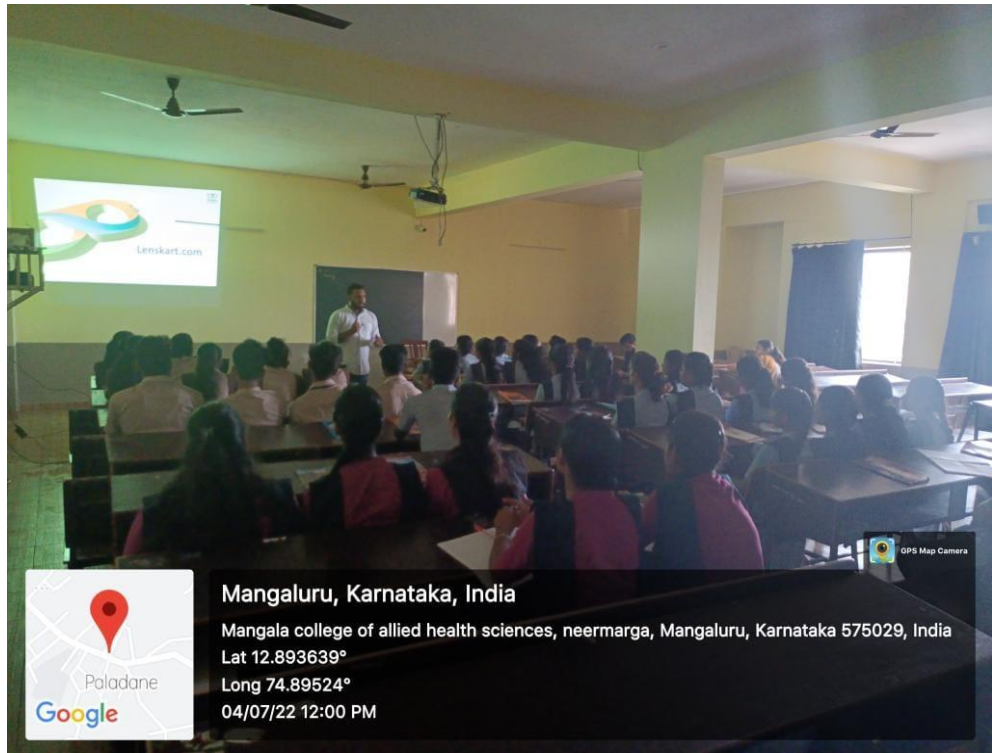

The Department of Optometry, Mangala College of Allied Health Sciences conducted a session on Ophthalmic Dispensing and Clinical Procedures by Lenskart for II- and III-year B.Sc. Optometry and diploma students on 4 July 2022 at the Optometry lab of Mangala campus. The resource persons for the session were Mr. Vishnukal UG and Mr. Vijesh, Regional Training Managers of Lenskart Academy.

The session aimed to provide the students with practical knowledge on lens dispensing, marketing procedures, and the role of Lenskart Academy in the Optometry industry.

The students learned about the different types of lenses available in the market, the techniques used in Ophthalmic dispensing, and the role of Optometrists in the retail industry. They also gained insights into the marketing strategies used by Lenskart and the various training programs offered by Lenskart Academy to the Optometrists.

The session was highly informative and interactive, and the students were able to clarify their doubts and learn from the experience of the resource persons. 8 students enrolled to II- year and III-year B.Sc. Optometry program and 30 students enrolled to diploma course attended the session.

The Department of Optometry of Mangala college of Allied Health Sciences aims to continue organizing such sessions in the future to provide students with practical knowledge and skills relevant to the Optometry industry.

Event report Department of optometry Industrial Visit

Date:30-09-2022

Venue: Pure Lens, Mangalore

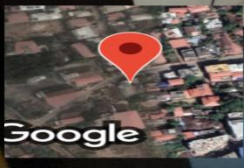

Number of Participants:8

The Department of Optometry of Mangala College of Allied Health Sciences organized an industrial visit to 'PURE LENS,' Mangalore, a manufacturer of optical lenses and frames, on 30 September 2022. The visit provided the students an opportunity to see and experience real workstations, machines, and systems and interact with highly trained and experienced professionals.

During the visit, the students learned about the procedure of lens manufacturing and gained insights into the various manufacturing processes involved in the production of optical lenses and frames. They also learned about blue cut lenses, which are designed to block harmful blue light from electronic devices.

The students were able to observe different stages of lens production, including cutting, grinding, polishing, and coating. They also had the opportunity to interact with the professionals and clarify their doubts regarding the manufacturing processes. 8 students enrolled in II and III- year B.Sc. Optometry program takes part in the program.

The industrial visit was highly informative and helped the students in gaining practical knowledge and skills relevant to the Optometry industry. The Department of Optometry aims to continue organizing such visits in the future to provide students with hands-on experience and exposure to the latest developments in the field.

Department of Optometry Community eye camp Event report

The Department of Optometry, Mangala College of Allied Health Sciences organized a community eye camp on 14 February 2023 at Ishavasyam auditorium of Mangala campus. The eye camp aimed at providing free health care services to the local community. As part of the event, free eye checkups were given by Optometry Students of Mangala college of Allied Health Sciences and Mangala college of paramedical Sciences in addition to this, they also provided tips on how to maintain good vision and prevent eye diseases.

This initiative is a testament to their commitment to providing quality healthcare services to those who may not have access otherwise. 21 students of B.Sc. Optometry program and 20 students enrolled to diploma course participated in the camp.
