Report:

The NSS Unit in association with Department of Optometry, Mangala college of Allied Health Sciences conducted a School Vision Screening at SDM Mangala Jyothi Integrated School in Vamanjoor, Mangalore on 6th June 2022. The camp was conducted by IInd and IIIrd year B.Sc. Optometry students. As part of the event, Vision screening was done for school children up to 10th standard.

The aim of the screening was to identify any visual problems among children and provide appropriate interventions. The screening included visual acuity tests, refraction, and screening for common eye diseases. 14 B.Sc. Optometry students participated in the program.

The B.Sc. students who conducted the screening were trained in various aspects of vision screening and were supervised by qualified Optometrists. They were able to identify several cases of refractive errors, and the children were provided with free spectacles and medications, as required.

The School Vision Screening was a great success and helped to promote better eye health and eye care among school children. The NSS Unit in association with the Department of Optometry at Mangala college of Allied health sciences aims to continue organizing such camps in the future and work towards improving the eye health of the community.

5K RUN FOR KIDNEYS

On March 18th, 2023, Mangala College of Allied Health Sciences in association with Mangala Kidney Foundation, Mangala Students Council, Alumni Association, NSS Unit, and Youth Red Cross Unit organized a 5K Run for Kidneys on account of World Kidney Day. The event was held to promote kidney health for all and raise awareness about preventive behaviors, risk factors, and how to live with kidney disease.

Ms. Manisha an intern of B.Sc. Renal Dialysis Technology, Mangala College of Allied Health Sciences welcomed the guests and dignitaries who were present, followed by a prayer song led by Ms. Vichetha an intern of B.Sc. Medical Laboratory Technology, Mangala College of Allied Health Sciences and her team. And Ms. Rachana, an intern of B.Sc. Renal Dialysis Technology, Mangala College of Allied Health Sciences, welcomed the guests and introduced the purpose of the event.

The program began with a speech from the chief guest, Ms. Geetha D. Kulkarni, Assistant Commissioner of Police, Mangalore Traffic Division. She urged the students and the general public to take care of their kidney health and follow traffic rules to protect human life and health.

Dr. Moideen Nafseer T.A, Director of Mangala Kidney Foundation, provided more information about kidney health and kidney protection. The event was graced by the presence of Mangala College's Principal, Professor Pratijna Suhasini G.R, Vice-Principal, Prof. Geethalakshmi I P, Dr. Mary Elizabeth Pinto, Principal of New Mangala Nursing College, and Dr. Bharat K.H, Principal of Mangala College of Physiotherapy.

Mr. Jayantha, the organizing secretary, Mr. Mithun Venugopal A, N.S.S. Program Officer, Ms. Vijetha Sheena, YRC Unit Coordinator, Renita Figredo, Allied Health Sciences Student Council President were also present at the event. The Alumni Association of the college arranged to give dialyzers to eligible dialysis patients from Mangalore and Manjeshwar, with Abubakar, Vice President of the Alumni Association, Mangala College of Allied Health Sciences.

The event concluded with the distribution of prizes to the winners of the logo competition held in honor of World Kidney Day by Ms. Geeta D. Kulkarni. The 5K run, which started from Mangala Hospital and Kidney Foundation and proceeded to Nantoor, ended with the concluding ceremony at Kadri ground. Overall, the event was successful in raising awareness

about kidney health and promoting the importance of prevention and early detection.

Ms. Lorena Reshma D'Costa, student of first year M.Sc. Renal Dialysis Technology, Mangala College of Allied Health Sciences, delivered the vote of thanks.
