

## Understanding NAAC Assessment and Accreditation Process Report

Date: 16/03/2020

Date: 14/03/2020

Venue: Room no. 84

No. of Participants : 29

College Council of Mangala College of Paramedical Sciences organized a seminar on 'Understanding NAAC Assessment and Accreditation Process on 14 March 2020. The event aimed to enlighten the faculty and staff about the nuances of NAAC Assessment and Accreditation.

Resource person for the event were Prof. Pratijna Suhasini G.R, Principal, Mangala College of Paramedical Sciences and Prof. Geethalakshmi I.P, Vice-principal, Mangala College of Paramedical Sciences, Mangalore.

The seminar commenced with an introductory session by Prof. Pratijna Suhasini G.R, who provided a comprehensive overview of the institution's profile. She highlighted the college's mission, vision, academic programs, infrastructure, and its commitment to quality education. Prof. Suhasini emphasized the importance of striving for excellence in all aspects of education. Following this, Prof. Geethalakshmi I.P. took the stage to discuss institutional best practices. She shared valuable insights on effective teaching methodologies and innovative approaches to enhance the learning experience for students. Prof. Geethalakshmi I.P also stressed the need for continuous improvement in educational practices.

To provide a detailed understanding of NAAC assessment criteria, the seminar featured presentations by faculty members. Each criterion was explained by a designated speaker.

Dr. Shailini S Rao delved into Criteria 1, which focuses on Curricular Aspects. She provided insights into how the institution has structured its curriculum to meet industry demands and ensure students are equipped with the necessary knowledge and skills.

Mr. Karthik G Kamath K discussed Criteria 2, which pertains to Teaching-Learning and Evaluation. Karthik shed light on the innovative teaching techniques and assessment practices that can be implemented in the institution, ensuring a holistic and effective learning experience for students.

Mr. Abdul Muneem took on criteria 3, which deals with research, consultancy and extension. He highlighted the various outreach programs undertaken by the institution to contribute to the academic and social spheres.

Ms. Punitha addressed Criteria 4, focusing on Infrastructure and Learning Resources. Punitha detailed the investments made by the institution in state-of-the-art infrastructure and learning resources to facilitate comprehensive education.

Ms. Sonu A. S. presented on Criteria 5, which centers around Student Support and Progression. She shared the range of support services and programs offered by Mangala College to ensure

the holistic growth and success of its students.

Mr. Prashanth Lobo presented Criteria 6, which pertains to Governance, Leadership, and Management. Prashanth discussed the robust governance framework and dynamic leadership approach adopted by the institution to ensure efficient and effective management.

Professor Geethalakshmi I.P covered Criteria 7, which focuses on Innovations and Best Practices. She highlighted specific innovations and best practices implemented by the institution to enhance the overall educational experience.

Ms. Shiny M Dsouza provided insights into Criteria 8, which deals with Institutional Values and Social Responsibility. She emphasized how Mangala College upholds strong institutional values and actively engages in socially responsible initiatives for the betterment of the community.

These presentations collectively provided a comprehensive overview of how Mangala College of Paramedical Sciences excels in each of the eight criteria outlined by NAAC for assessment and accreditation.

## NAAC WEBINAR Event Report

Date: 25/05/2023

Date: 11, 17 and 24 May 2023

Mode : Online (Webex)

No. of participants: 3

ICT NAAC organized a series of webinars on ‘Contribution of women IQAC Directors in institutionalizing quality culture in HEIs’

The session was mainly about the role of women towards NAAC.

The webinar emphasized the critical role of women IQAC Directors in driving curriculum improvements. Notable examples were shared, showcasing the positive impact of innovative curriculum changes.

The event highlighted initiatives undertaken to enhance the skills and knowledge of teaching staff. Women IQAC Directors were commended for fostering a vibrant research culture within their institutions. The event explored the effective use of technology to enhance the academic experience.

Dr. Seema Hallikerimath highlighted the mechanisms for obtaining feedback from stakeholders and demonstrated the impact of the feedback quality on academic quality.

The event showcased how institutions align their practices with established quality frameworks. Evidence of compliance with accreditation standards was presented.

Strategies employed by women IQAC Directors to foster a culture of continuous improvement were discussed.

Three faculty from Mangala College of Allied Health Sciences attended the session.

## NAAC Awareness Program

### EVENT REPORT

**Date: 01/06/2023**

Date: 30 & 31-05-2023

Venue: IQAC Office

Organizer- Internal Quality Assurance Cell

No. of Participants: 21

NAAC Awareness Program was organized by Internal Quality Assurance Cell on 30 & 31 May 2023 at IQAC office of Mangala College of Allied Health Sciences, Mangalore.

The program started with welcome address by Ms. Abhineetha, IQAC co-coordinator.  
Day 1

Dr. Pramod commenced the session with a detailed overview of the key quality indicators assessed by NAAC.

Participants engaged in domain specific discussions, where Dr. Pramod provided in-depth insight into each quality indicator category, including curricular aspects, teaching- learning and evaluation, research, infrastructure and learning resources, student support and progression, governance, leadership and management.

Day 2

Dr. Pramod provided guidance and feedback, fostering a culture of self-assessment and improvement. Practical guidance on documentation and reporting for NAAC accreditation was provided. He also emphasized the importance of documentation as evidence of compliance with quality indicators.

The day concluded with an interactive session where participants had a opportunity to seek clarification on specific quality indicators and accreditation- related queries. Dr. Pramod addressed these with expert insights.

The event concluded with vote of thanks by Mr. Karthik G Kamath K, IQAC Coordinator.
