## Department of Optometry Session on Ophthalmic Dispensing and Clinical Procedures Event report

Date:07-07-2022

Date: 04-07-2022

Venue: Optometry lab

No. Of Participants: 38

The Department of Optometry, Mangala College of Allied Health Sciences conducted a session on Ophthalmic Dispensing and Clinical Procedures by Lenskart for II- and III-year B.Sc. Optometry and diploma students on 4 July 2022 at the Optometry lab of Mangala campus. The resource persons for the session were Mr. Vishnukal UG and Mr. Vijesh, Regional Training Managers of Lenskart Academy.

The session aimed to provide the students with practical knowledge on lens dispensing, marketing procedures, and the role of Lenskart Academy in the Optometry industry.

The students learned about the different types of lenses available in the market, the techniques used in Ophthalmic dispensing, and the role of Optometrists in the retail industry. They also gained insights into the marketing strategies used by Lenskart and the various training programs offered by Lenskart Academy to the Optometrists.

The session was highly informative and interactive, and the students were able to clarify their doubts and learn from the experience of the resource persons. 8 students enrolled to II- year and III-year B.Sc. Optometry program and 30 students enrolled to diploma course attended the session.

The Department of Optometry of Mangala college of Allied Health Sciences aims to continue organizing such sessions in the future to provide students with practical knowledge and skills relevant to the Optometry industry.

## PLACEMENT CELL IELTS ORIENTATION SESSION Event Report

Date:28.04.2023

**Event:**IELTS Orientation session

**Date:** 27April 2023

**Venue:** Room No: 71 Mangala campus.

**No. of participants:** 22

Placement cell of Mangala College of Allied Health Sciences had organized IELTS Orientation session – the information about IELTS test format, test-taking strategies, scoring and tips to help the candidates to prepare for the test effectively and to give training classes exclusively for Mangala students.

Resource person Dr. Vidya Vinutha D’Souza, Assistant Professor St. Aloysius college, Mangalore had given the orientation which gave a clear understanding of the IELTS test format, which includes four sections: Listening, Reading, Writing and Speaking. The orientation provided tips and strategies that can help the candidate to prepare for the test effectively. The strategies may include time management, identifying question types and improving reading and listening skills. The session also provided information about the preparation materials that are available for the candidates such as books, online resources and mock test.

Mr. Shijo Mon Yesudhas, Manager, Business Development, IDP Education had explained about the fee details, examination center, mock examination and other supports that can be provided from IDP Education.

This session was informative to the Internship students of Mangala College of Allied Health Sciences and Mangala College of Physiotherapy.
